Neighbourhood Plan Public Meeting 30th November 2016 at 7pm Madginford Hall, Bearsted

The Parish Council are producing a Neighbourhood Plan, which will provide a shared vision for the village and help shape the development and growth of Bearsted in the future.

As part of the process, we are holding a public meeting to give residents the opportunity to learn more about the plan and offer the opportunity to get involved.

Why not get involved in the creation of the plan, either as part of the main Steering Group or volunteering to take on tasks and projects as the plan develops and leave a lasting legacy for the future?

If you are interested in getting involved or just learning more about what the Neighbourhood Plan is all about then please come along to the meeting on the 30th of November 2016.

Bearsted
Parish
Council

Our initial ideas for areas that should be covered by the plan are as below, but we want to hear your views on what should and should not be included!

New Development

Better control over where new development should go and more say over what type of development this should be

Open Spaces and The Green

Protection of open spaces is a priority, how should this be achieved in the future?

Transport and Communication

How can we influence transport, traffic etc. and reduce pollution in Bearsted in the future?

Business & Employment

We want to support existing businesses in Bearsted in the plan but should we do more in the future for local businesses?

Sports & Leisure Facilities

Have we got adequate facilities in Bearsted and if not how do we improve this? Should we protect the facilities that are already in place?

Facilities for all ages in the community

Should the plan give direction for all facilities in Bearsted, such as libraries, village halls, schools etc.?

To learn more or to get involved please come along to the meeting at **Madginford Hall at 7pm on the 30th November 2016.**

We look forward to seeing you there!
