MISSION STATEMENT 2021/22

To sustain and grow a successful, safe and caring community by representing and serving the best interests of those members who live or invest in it.

What we do

Represent and serve the community and allocate the community resources accordingly.

How we do it

By engaging with all stakeholders who have an interest or influence on the community within the established legal framework of local government utilising finances in line with our policies and procedures according to government legislation.

Who we do it for?

The people who live in the village and those who have a sustained investment in the success of the community.

Objectives

Utilise the resources and assets available to the Parish Council to;

- Ensure that the village remains clean, healthy and safe and that all residents are well informed.
- Identify the need and where required support the proposal and creation of a space(s) in the village where residents of all ages can come together to participate in sports, social, wellbeing and other leisure activities as well as access the services of the Parish Council.
- Establish an Emergency Plan for the Parish. This plan will seek to promote and protect the wellbeing of residents and the local environment in times of emerging or actual emergency (in accordance with the Civil Contingencies Act 2004).
- Lobby planning, transport, health and education authorities to promote the needs of residents and local businesses.
- To ensure all our historic, geographical and natural assets are identified and afforded protection so that they are preserved for the good of the village.
