

Bearsted Christmas Light Turn On

Please come and join us on the 28th November 2021 from 4.15pm on Bearsted Green to begin the Christmas celebrations when our festive lights will be turned on. We are honored to have Jessica Howells, who was the Covid 19 Community Coordinator switch on our lights. Musicians from the Kent Police Band will be playing a number of seasonal songs for us all to join in with. Bring your own hot drinks!
