

Bearsted Parish Council

NEWSLETTER

Summer book hunt

Bearsted Parish Council are excited to launch a summer book hunt during the school holidays. This replaces the wonderful activity Megan at Bookbugs formally ran for our community.

We hope many of our young readers will enjoy hunting for books around The Bearsted Woodland Trust. These can be kept to enjoy or rehidden for another child.

More information will be shared on our Facebook page and website later this summer!

Welcome Cllr Huseyin

Bearsted Parish Council are delighted to welcome their new Councillor Max Huseyin. He was co-opted at the Full Council meeting in June.

Max moved to the area from London and is keen to get involved in the community. To learn more about our new Councillor read his bio on our website.

Warden support

Its been great to see Sally back doing what she does best in our community.

She continues to help our vulnerable residents with welfare visits, has dealt with some recent unwanted anti-social behaviour and offers support to our local schools with parking and traffic challenges. Sally has also reported more rouge traders to the police and trading standards. We remind all residents to be vigilant and look out for suspicious traders who knock door to door offering mostly gardening and roofing work. Please share any concerns directly with Sally.

She also continues to support at the coffee mornings held at the Holy Cross Church and Madginford Library.

Sally works in our community on Tuesday, Thursday and Friday's and can be contacted on: 07813 712105

A bench with a view

We are lucky to have many benches across the Parish. These are a great community asset used and loved by many residents. They allow us to sit and enjoy some of the beautiful views Bearsted has to offer.

We'd love to hear from you if you regularly use any of our benches or have any pictures of the views from these locations.

Likewise, if you have noted any bench that requires maintenance please get in touch.

We have 24 located around The Green. Other locations: Hog Hill, Yeoman Lane, Church Landway, Ashford Road, Egremont Road, Button Lane, Rosemary Road and Church Lane.

Pictures can be sent to:
deputy@bearstedparishcouncil.gov.uk
