

Help prevent crime and anti-social behaviour in Bearsted

Anti-Social behaviour has sadly increased in Bearsted.

This includes incidents involving vandalism, catapults, underage drinking and littering.

We urge our community to report these issues to ensure crime is managed and prioritised by our local police officer. Data is key! The more information the police have the more resources they will provide. Let's work together to keep Bearsted safe!

PLEASE REPORT! Help your community by providing police with the data needed

In an Emergency:

999

If you witness a crime happening now, including anti-social behaviour such as off-road bikes or catapult incidents, please report on 999 so immediate attendance can be requested.

If the crime has already happened, please report on 101 so it can be followed up by your local officer.

Our community policeman is alerted to crimes that are reported by phone so please use 999 or 101 to ensure a local response is possible.

We also advise registering with My Community Voice. This is a messaging service that helps Kent and Medway residents, businesses, and community groups to stay connected with their local policing teams. The service sends updates about your local area directly from the police officers themselves.
